

REMARKS

Prior to examination of the enclosed Continuation Application on the merits, please amend the Continuation Application as contained herein.

Claim 20 is pending in the application. Claims 1-19 have been canceled without prejudice as these claims have previously been allowed in the co-pending parent application 10/228,907.

With regard to the specification, Applicant has amended certain paragraphs to reflect amendments made during the prosecution of the parent application.

Applicant submits that the Continuation Application is in condition for examination on the merits and respectfully requests such examination. Should the Examiner have any questions or comments which would aid in the examination of the claims, the Examiner is invited to contact Applicant's representative indicated below.

Respectfully submitted,
